ERRATUM

The decision issued on November 16, 2018 indicated that the Union did not submit a post-hearing brief. Subsequently, the Union submitted evidence that it had e-filed a brief during the evening of November 9 and furnished a copy. Apparently, as a result of issues with the electronic case file system of the NLRB, the Union's brief was unavailable for review before the decision issued.

I have now reviewed the Union's brief and determined that it does not affect my original decision dismissing the petition to clarify the bargaining unit.
